Holy Apostles Orthodox Church

10760 Baltimore Ave., Beltsville, MD 20705
Rector, Fr. George Johnson

Come and see the church that the Lord gave to the Apostles, and the Apostles gave to us. The Orthodox Church is the ancient Christian faith; the one practiced in apostolic times. It remains the same faith today.

We are a mission parish of the Russian Orthodox Church, which means that our chant styles and traditions are Russian in origin. However all of our services are in English. Our parish has recently been given a most wondrous gift: a beautiful historic church on two acres of land in Beltsville. Before we can occupy the new church we must restore and renovate it, and we also plan to build a parish hall on the property. In the meanwhile, we are currently meeting in the Twin Chimneys Office Park in Beltsville, MD, about one mile north of the Beltway on Route 1 and close to the University of Maryland.

Evening Vigil Saturday 5PM; Hours & Divine Liturgy Sunday 9:40 AM; For other services & class times, see our website: www.holyapostlesorthodoxchurch.org
